

Please note that a signed copy of this agreement will be required to begin the process.

<b>Date</b>	
<b>Manuscript Title</b>	

Author(s) of the above-mentioned manuscript have read the following statements and agree with them by signing this form. This agreement is void if a manuscript approved for publication is not published within 12 months of the approval unless the author makes a separate written agreement with JELR extending the deadline.

**Statement of Authorship**

Each author signing this agreement form confirms their significant contribution to the manuscript and, as such, takes personal responsibility for its contents.

All authors signing this agreement confirm their eligibility for authorship. The authors confirm that the list of authors is complete and assume responsibility for the integrity of the work.

**Ethical Requirements**

All authors signing this agreement confirm that all human and/or animal studies conducted within the framework of this manuscript are in compliance with the regulations and standards of their governing institutions. Authors confirm that they follow widely accepted guidelines and standards governing such work. Authors confirm that to the best of their knowledge their work does not contain plagiarism, copyright infringements, or any obscene, libelous, or intentionally damaging information.

**Terms of Use**

Authors acknowledge that their manuscript will be made publicly available under the terms of the Creative Commons Attribution License ([CC-BY 4.0](#)). They acknowledge that such open access allows for free access, distribution, and reproduction of the materials if properly cited.

**Copyright**

Authors acknowledge users' ability to access and distribute their papers without cost with proper attribution and citation. Authors are allowed to use their materials in presentations and other publications, provided a proper reference to JELR as the original publisher is displayed.

**Conflict of Interest and Financial Supports**

Authors confirm that any financial interests or conflicts of interest among the authors or with third parties have been disclosed in the cover letter. The authors confirm that the sources of funding are listed in the cover letter and the acknowledgments.

**Previous Publications**

Authors confirm that the manuscript – neither in its current form nor in an earlier version – has been submitted for publication or has been published in any language prior to submitting it to JELR. The authors confirm that any prior mention or reference to the manuscript is disclosed in the cover letter.
